

## Patron Request for Purchase

staff initials \_\_\_\_\_

While budget restraints prevent us from purchasing every request or recommendation, ALL are considered seriously. We are primarily interested in titles that will appeal to a general audience, or if specialized, will see a justifiable amount of use. Limited audience and high-cost technical or academic titles are difficult purchases for us. Some books are out of print and otherwise unavailable. We recommend Interlibrary Loan for these items.

Adult		Tapes &		Young	Paper
Fiction	Non-Fiction	Videos	Children's	Adult	Back
